

REBUTTAL TO ARGUMENT IN FAVOR OF  
PROPOSITION 28

The arguments made by the supporters of Proposition 28 show that it's a scam to TRICK voters into *weakening* term limits.

The special interests and career politicians behind Prop. 28 state that under the current term limits law "almost 40% of Assembly members are new to their jobs after each election." Exactly.

That's because the current term limits law moves politicians out of office and allows new people to be elected – and prevents political bosses from accumulating too much power in the Legislature.

Under Proposition 28, members of the State Assembly will actually have THEIR TIME IN OFFICE DOUBLED – NOT REDUCED.

Under Proposition 28, members of the State Senate will actually have THEIR TIME IN OFFICE INCREASED BY 50% – NOT REDUCED.

An independent study conducted by U.S. Term Limits, the nation's leading pro-term limits organization, showed that 80% of legislators will have their time in office *lengthened* and only 8% will have their time in office reduced if politicians are allowed to stay in the same office for 12 years.

Prop. 28 is the FIFTH time that the politicians and special interests have tried to weaken term limits and lengthen politicians' time in office. They've used sneaky and misleading initiatives and court challenges to overturn the will of the people. Don't let them get away with it. Vote NO on Proposition 28 – IT'S A SCAM!
